Alumni Board members will serve on a committee within a three-year rotating plan. Year One members will serve for a two-year term and then have a year off. Year Two members will serve for a year, have a year off, and then choose another committee. Year Three members will have the '05-'06 school year off and then will begin serving a two year term on a committee. Each member of the Board will select their top three choices and then will be slated to a committee. All board members will still be expected to attend the June and January meetings.
